**PROFIT WARNING
FOR THE YEAR ENDED 31 MARCH 2024**

This announcement is made by Novacon Technology Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform shareholders and potential investors of the Company that, based on a preliminary assessment on the unaudited consolidated management accounts of the Group for the year ended 31 March 2024, the Group is expected to recorded a net loss of approximately HK\$19 million for the year as compare to a net profit of approximately HK\$5.7 million for the year ended 31 March 2023.

Based on the information currently available to the Company, the change from net profit position for the year ended 31 March 2023 to the expected net loss position for the year ended 31 March 2024 was mainly attributable to (i) the increase in employee benefits expenses primarily due to the one-off staff bonus paid in May 2023 and (ii) the decrease in revenue.

As the Company is still in the course of finalising its annual results of the Group for the year ended 31 March 2024, the information contained in this announcement is a preliminary assessment by the Company based on the information currently available and the unaudited consolidated management accounts of the Group, which are subject to the review of the audit committee of the Board and completion of audit work of the Company's auditors. The information set out in this announcement is therefore subject to finalisation and adjustment (if necessary). The audited financial results of the Group for the year ended 31 March 2024 are scheduled to be approved by the Board and published on or around 20 June 2024.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
